

LUMEN (LUM) TOKEN WHITE PAPER

In a world where FIAT Currency is continuously printed and held in large quantities by The Rich leaving "little or none" in the hands of The Poor.LUMEN has come up with a solution.

WHY LUMEN COIN IS THE BEST

We dislike poverty so we created a system that can greatly reduce it. so many people have been under the subjection of poverty as a result of limited access to FIAT currency and we aim at greatly reducing poverty globally through creating a bridge between the POOR and FIAT currency.

HOW DO WE DO IT?

We are doing it through

AVAILABILITY

Lumen token is available for everyone with a good price.This makes lumen token readily available for everyone to buy.

CREATING A BRIDGE

Lumen token is the bridge between the POOR and FIAT currency giving the POOR the opportunity to be RICH.

CREATING UTILITY

The Lumen Team is working tirelessly on creating a safe and trusted Decentralized Exchange(**LUMSWAP**) that will give opportunities for various activities on the exchange for LUMEN holders.

REACHING THE MOON

With all effort and activities put together by the LUMEN Team and Community we strongly believe that we all will safely land on the moon.

FUTURE ROADMAP

**Our vision is to create a completely community driven cryptocurrency.
Our Roadmap is constantly being updated.**
